

THE ABBA Stage Plot

SHOW

Tech Rider. Please supply:

3 to 4 Handheld Wireless Vocal Mics with fresh batteries. (Must be wireless. We do lots of dance routines.)

PA that easily covers venue and vocal monitors with (where possible) 6 separate mixes.

2 quick change areas on either side of stage, ideally with 2 mic stands in these areas so we can put our mics down whilst we change.

Changing room for 6 people with 6 chairs, mirror, snacks & waters, 6 hot meals. 2 vegan, 4 regular

(Only if we are traveling to you by plane)

Imitation flame effect (MBT Lighting FL3 Monster Flame Light or similar. We use it for Fernando. we huddle round it in winter coats as if round a camp fire. It needs to have a flame around 5 ft tall and the more it looks like a camp fire the better but just one of those metal boxes with a silk flame will work).

2 confetti cannons, (the kind you buy at party city for \$5, all white confetti preferably). We can't bring them on planes.

If venue is supplying backline:

Drum kit

kick
snare
high hat
at least 3 toms
cymbals
all stands
pedals and stool.

Bass amp with speaker

at least 150 watts
Ampeg or good quality
equivalent.

Keyboard and stand
